**Criminal Defense****Drug Possession****Domestic Violence****Wrongful Death****Aggravated Assault****DUI/ DWI**

## Why Choose BA Law?

Our lawyers are dedicated to helping you protect your rights. Furthermore, we understand how difficult it can be to go through this process alone, and we want you to know that we'll be there for you every step of the way. When you become a client of BA Law, not only will you be treated with respect and compassion, but our lawyers will fight to ensure justice is served. Contact our team today to learn how we can help.

### Criminal Law

When you've been accused of a crime, it can feel like a storm has just fallen at your feet. You may not know your next steps and explain the situation to everyone involved: the police, your family, and friends can be a tricky situation. The steps you take now will determine your future.

## Personal Injury Law

Personal Injury can be harmful to every party involved. Like criminal law, personal injury law has an umbrella of services under its coverage; catastrophic injuries, maritime injuries, medical malpractice, motor vehicle accidents, and wrongful death all fall under this umbrella.
